

FOSTER TALK TRAINING

FosterTalk training delivers **engaging, lifelong learning solutions** for **Foster Carers, Social Workers and Fostering Staff** from across the U.K.

FOSTERTALK *TRAINING*

In a constantly changing and challenging environment, Foster Carers and Fostering Organisations need to keep pace with changes to regulations and guidance, policy and practice and the needs of children with a variety of complex needs and circumstances.

Our range of courses have been specifically designed to deliver relevant and adaptable skills which directly improve, engage and equip delegates to progress and make a positive impact within their field.

We provide face-to-face and virtual training for all Carers, Social Workers and Fostering Staff.

EXCELLENT COURSE, **GOOD** CONTENT, EXTREMELY WELL DELIVERED & **ENJOYABLE**.

VERY INSPIRATIONAL AND **INFORMATIVE** COURSE COVERING TOPICS THAT ARE SOMETIMES **OVERLOOKED**.
